The background is a dark grey, almost black, marble surface. It features several prominent, irregular white veins that run diagonally across the frame. The texture of the marble is visible, with fine scratches and variations in tone. The lighting appears to come from the top right, creating a slight gradient and highlighting the veins.

The background of the image is a close-up of a marble surface. It features a light cream or off-white base color, which is intricately patterned with veins of dark grey and black. These veins are irregular and flowing, creating a classic marble effect. The lighting appears soft, highlighting the natural texture and slight undulations of the stone.
